

CHOOSE ACCELERATE EDUCATION

Founded in 2011, Accelerate Education provides online education courses to meet the needs of all students.

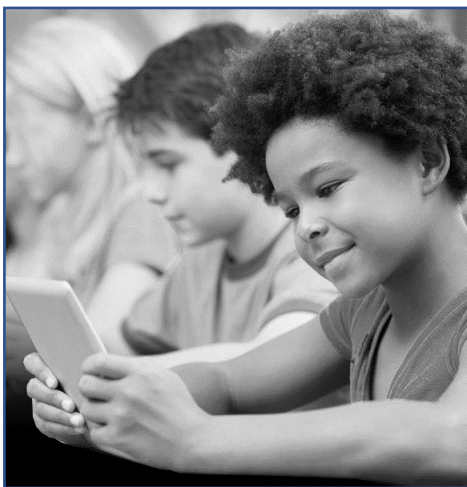

K-12 OPTIONS

Over 300 **1** K-12 courses available to support your entire online program. Course options include core, honors, electives, world languages, advanced placement, and credit recovery.

RICH CURRICULUM

Students are engaged in a variety of activities and assessments appropriate to the course being studied, including labs, journals, written assignments, discussions, projects, reviews, formative assessments, objective tests, and written exams.

SUPPORT TOOLS

Built in learning support tools for accessibility including text-to-speech, translation, dictionary, picture dictionary, screen masking, notes, bookmarking, and personalized study guides.

IDEAL Learning Library

POWER TO PERSONALIZE

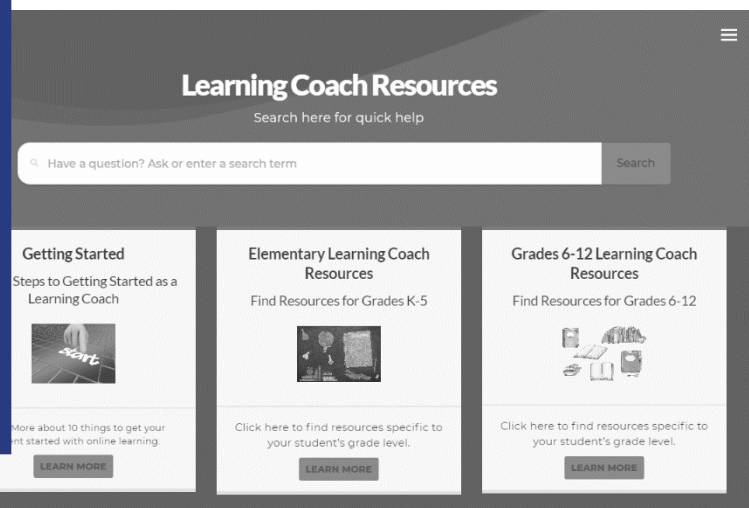

Access to our IDEAL Learning Library, which is a collection of more than 20,000 digital learning objects, gives teachers the ability to customize courses and personalize learning.

Teachers can also rearrange and modify content, as well as add their own items.

MENTOR/PARENT SUPPORTS

School personnel and parents have amazing tools available. Access to real-time data on progress and grades, valuable reports, and an emailed weekly progress report.

Elementary learning coaches are supported within the platform and have access to an external site providing getting started and content resources.

"Accelerate Education has been a great partner for CAOLA. I know we can give our districts the support they need to make their students successful because Accelerate's curriculum is rigorous and they respond quickly when extra support is needed."

Holly Brzycki, Supervisor of Online Learning, CAOLA
